PRESIDENT'S MESSAGE

Greetings All,

I trust this finds you and yours well and surviving the run up to the end of another year. Over the last month I have had the opportunity to catch up with a number of military folk, both retired and serving. All were highlights, and reinforced my view that military friendships are enduring, regardless of the frequency of meetings.

In addition to our association's End-of-Year function, I had the pleasure of attending and addressing the Army School of Electrical and Mechanical Engineering's soldiers' dinner at North Bandiana. Due to the number of attendees (~460!), the dinner was held in the A vehicle hangar. The ASEME staff (SGT and above) were very effective food waiters! My host was a very impressive material technician (metalsmith) trainee who was due to march out the following week to begin his on-the-job training. From his example alone, we remain in good hands.

As you will read in Maintenance Matters, our new Corps painting, Repair in the Mountains, was unveiled as part of the dinner's proceedings.

Stay well, APA
